

UNIX Server Setup Form

Host name:	Delivery date requested:		
Basic Server Function:			
Contact Information: Name: Phone: e-mail:		Vendor Contact Information (if vendor will assist with installation): Name: Phone: e-mail:	
Cost Center for DDT Billing : _____		Telecommunications Coordinator (TC):	
Minimum Hardware Requirements:			
Number of CPUs:	Processor Speed:	Memory:	Hard Drive Space:
Server Type (check all that apply): <input type="checkbox"/> Web Server, list type of web server to be used: _____ <input type="checkbox"/> Database Server -- list database and version to be used: _____ <input type="checkbox"/> Application Server			
If this server will be a web server, is SSL required (will financial or non-public information be transmitted)? <input type="checkbox"/> Yes <input type="checkbox"/> No The standard certificate name is <server name>.doa.louisiana.gov. If a non-standard certificate name is required, indicate name here:			
If this server will be a database server, will OCS DBA assistance be required? <input type="checkbox"/> Yes <input type="checkbox"/> No			
Does this server require that multiple network interfaces be configured? <input type="checkbox"/> Yes <input type="checkbox"/> No			
Will this machine be accessed from outside the DOA? <input type="checkbox"/> Yes <input type="checkbox"/> No			
Are there any special networking requirements? <input type="checkbox"/> Yes <input type="checkbox"/> No Explain (and list specific port requirements, if applicable):			
Specific IP Address Requested: _____ (NOTE: there is no guarantee that a specific address can be assigned)			
Does this server require access to or from any other DOA servers or DOA mainframe? <input type="checkbox"/> Yes <input type="checkbox"/> No List other servers and specific port information (if applicable):			
Is this server directly associated with any other DOA servers? <input type="checkbox"/> Yes <input type="checkbox"/> No List other servers:			
Is load balancing required? <input type="checkbox"/> Yes <input type="checkbox"/> No			
Are there any special file system requirements for this server? <input type="checkbox"/> Yes <input type="checkbox"/> No Explain:			
Does the application require a specific OS and/or OS version and/or patch level? <input type="checkbox"/> Yes <input type="checkbox"/> No Explain:			
Will this server require the ability to send e-mail? <input type="checkbox"/> Yes <input type="checkbox"/> No Explain why this capability is needed:			
Are administrator or other special user privileges required? <input type="checkbox"/> Yes <input type="checkbox"/> No Explain: Note: If any non-expiring passwords are requested, please provide justification and approval below. Justification: Approved by: _____ Date: _____			
What applications (including version numbers) will be installed on this server?			
NOTE: All UNIX servers require the purchase of the following software: Tivoli client (for backups), Tripwire for Servers (for security), and HP Openview plug-ins (if CMS monitoring is required)
