All activities funded by the Louisiana Community Development Block Grant Program (LCDBG) must address one of the following three national objectives.

- Principal benefit (at least fifty-one percent) to low and moderate income persons.
- Elimination or prevention of slum and blight.
- Urgent Need

In order to meet these national objectives, the Office of Community Development has the following goals.

- Benefit low and moderate income persons.
- Eliminate or aid in the prevention of slums or blight.
- Strengthen community and economic development through the creation of jobs, stimulation of private investment, and community revitalization, principally for the benefit of low and moderate income persons.
- Provide for other community development needs with a particular urgency due to existing conditions that pose a serious and immediate threat to the health or welfare of the community.
