Mr. Cossé asked for update and discussion on D & O coverage for Board members. Mr. Woolridge advised he had spoken with the Office of Risk Management and ORM had advised there is no state entity that has more than \$5,000,000 in coverage, that it is possible to acquire more coverage but is difficult to do and that they did not recommend it. Mr. DePascual advised that he could obtain quotes on extra coverage; Mr. Cossé asked him to do so for discussion at the next Board meeting.

Mr. Cossé called for discussion of Optometry Surgical Surcharge Rates. He advised the bill introduced in this year's legislative session had gained no momentum in the legislature and that he and Mr. Schnauder would be meeting with Mr. Jim Hurley, PCF actuary the following week to discuss what would be required to develop rates for optometrists to join the Fund.

Mr. Cossé called for discussion of Board Resolution on Request for IRS Private Letter. Mr. Woolridge advised that a tax attorney with the firm of Jones Walker, LLP had been consulted regarding whether the PCF is a division or subdivision of the State of Louisiana within the meaning of Section 115 of the Internal Revenue Code, and he advised the Board should seek a "Private Letter Ruling" from the IRS in this matter. Mr. Woolridge advised the consent of the Board members would be required in order for the attorney to move forward with the request. Board members executed the Consent of Members of PCFOB containing two resolutions: the first, authorizing Jones Walker, LLP to seek the private letter ruling, and the second, authorizing PCF Executive Director, Ken Schnauder to execute IRS Form 2848, Power of Attorney and Designation of Representative, appointing Robert R. Casey and Blayne Trevor Wilson as representatives of the PCF with respect to the aforementioned ruling, and authorizing Mr. Schnauder to execute other related documents as necessary.
