

How Can I Find Master Cost Center Assignments Stored on Positions?

Issued 10/12/07

Run **ZP84 – Structure Display/Maintenance**

Select Report Variant: **/107_KPOS**

Object ID = highest level org unit (can perform structure search)

Evaluation Path = **KOSTSX**

Cost Center Assignment relationships are designated by this icon .

Object Legend:

K = If a percent is output, the source is the 1018 - Position Cost Distribution record.

 If no percent is output, the source is the Master Cost Center assignment record.

S = Position

O = Organizational Unit

P = Person (Position holder)

Refer to [ZP84](#) report descriptor for additional information.
