

Office Supply Catalog Contract Contract No. 407853

The State of Louisiana Office Supply Catalog Contract includes hundreds of environmentally-conscious general office supply items made from recycled paper, plastic, and metal.

Available recycled products include a wide variety of items, such as data & ring binders, calendars & refills, appointment books, indexing supplies, clipboards, scissors, mouse pads, desk pads, letter trays, easel pads & flip charts, envelopes & mailers, all types of file folders, storage file boxes, all types of writing pads & notebooks, calculator paper, report covers, message pads, and waste baskets & liners. Even pencils and paper clips!

These items are identified by the universal recycled goods logo and can be easily found in the 2009 Corporate Express Office Products catalog or at Louisiana's on-line catalog at www.eway.com. When using the Internet catalog, you can also filter your search for only recycled products which meet your search criteria.
