

DECLARATION OF EMERGENCY

Department of Health and Hospitals Bureau of Health Services Financing

Professional Services Program—Physician Services
Reimbursement Rate Reduction
(LAC 50:IX.15103 and 15111-15113)

The Department of Health and Hospitals, Bureau of Health Services Financing repeals LAC 50:IX.15103 and adopts §§15111-15113 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act and as directed by Act 10 of the 2009 Regular Session of the Louisiana Legislature which states: “The secretary is directed to utilize various cost containment measures to ensure expenditures remain at the level appropriated in this Schedule, including but not limited to precertification, preadmission screening, diversion, fraud control, utilization review and management, prior authorization, service limitations, drug therapy management, disease management, and other measures as permitted under federal law.”

This Emergency Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R. S. 49:953(B)(1) et seq., and shall be in effect for the maximum period allowed under the Act or until adoption of the final Rule, whichever occurs first.

In compliance with Act 18 of the 2007 Regular Session of the Louisiana Legislature, the Department of Health and Hospitals, Office of the Secretary, Bureau of Health Services Financing amended the provisions governing the reimbursement methodology for physician services to adjust the reimbursement rates. In addition, the bureau repealed the provisions contained in the following rules governing the reimbursement methodology for physician services: December 20, 2000; May 20, 2001; August 20, 2002; and February 20, 2007 (*Louisiana Register*, Volume 34, Number 8). As a result of a budgetary shortfall in state fiscal year 2010, the department promulgated an Emergency Rule to adjust the reimbursement rates paid for physician services (*Louisiana Register*, Volume 35, Number 8). The August 4, 2009 Emergency Rule was amended to incorporate exclusions to the rate reduction for prenatal evaluation and management, and delivery services rendered by physicians (*Louisiana Register*, Volume 35, Number 11).

As a result of a continuing budgetary shortfall, the bureau has determined that it is necessary to amend the provisions governing the Professional Services Program in order to further reduce the reimbursement rates paid for physician services. This Emergency Rule will also repromulgate the provisions, in their entirety, in Subchapter B of LAC 50:IX.Chapter 151 in order to reorganize these provisions in a clear and concise manner in the *Louisiana Administrative Code*.

This action is being taken to avoid a budget deficit in the medical assistance programs. It is estimated that implementation of this Emergency Rule will reduce expenditures in the Medicaid Program by approximately \$7,331,329 for state fiscal year 2009-2010.

Effective January 22, 2010 the Department of Health and Hospitals, Bureau of Health Services Financing amends the provisions governing the Professional Services Program to reduce reimbursement rates for physician services.
