MEMORANDUM

TO: Parties Interested in Recovery Housing Programs in Louisiana

FROM:  Traci Watts
Director, Community Development Block Grant Program

DATE: January 13, 2023

SUBJECT: Notice of Funding Availability
Louisiana Community Development Block Grant (LCDBG) – Recovery Housing Program

The State of Louisiana was allocated funding under Section 8071 of the SUPPORT for Patients and Communities Act, entitled Pilot Program to Help Individuals in Recovery From a Substance Use Disorder Become Stably Housed, herein referred to as the Recovery Housing Program (RHP), the Louisiana Office of Community Development (OCD-LGA) was allocated \$950,460.00 for FY 2022. The Recovery Housing Program is designed to support low- and moderate-income persons as they recover from a substance use disorder and begin a path to self-sufficiency by providing stable housing for a period of not more than 2 years or until the individual secures permanent housing, whichever comes first.

Housing stability is fundamental to recovery and a critical factor contributing to positive outcomes. For many individuals, achieving and maintaining recovery from a substance use disorder is hindered by a lack of safe, affordable housing that is supportive of recovery. Recovery housing provides support to individuals as they initiate, stabilize, and maintain long-term recovery in the community. This funding would help the residents secure housing during their recovery process, which would be beneficial to the long-term recovery process.

All interested parties **must** complete the Letter of Intent (LOI) process and submit a separate LOI for each organization in which funding is intended to be utilized. The LOI serves to inform the OCD-LGA of an organization's intent to apply for RHP funding for acquisition, new construction, or rehabilitation. This is **not** an application. The LOI must be submitted by email to Fenishia Favorite at Fenishia.favorite@la.gov no later than midnight February 24, 2023. Once your organization's LOI has been reviewed and approved and the application becomes available your organization will be notified via email.

These guidelines will help explain the expectations for your organization's LOI, and how they will be reviewed. Remember, an organization cannot receive an application without having an approved LOI.
