## 20-451 — Local Housing of State Adult Offenders

### Agency Description

The mission of the Local Housing of State Adult Offenders Program is to provide a safe and secure environment for the adult male and female offenders who have been committed to state custody and are awaiting transfer to the Department of Public Safety and Corrections (DPS&C), Corrections Services. Due to space limitations in state correctional institutions, the DPS&C, Corrections Services, continues its partnership with the Louisiana Sheriffs' Association and other local governing authorities by utilizing parish and local jails for housing offenders and works with these partners to establish opportunities for reentry programs and services for state offenders releasing from facilities.

The goal of the Local Housing of Adult Offenders Program is to continue the Community Corrections Partnership, which utilizes parish and local prisons for housing offenders who have been committed to the state's custody and are awaiting transfer to Corrections Services through the program.

The goal of the Transitional Work Program is to continue to provide for the housing of offenders who are qualified for transitional work programs, providing offenders for a step-down transition prior to release from incarceration.

The goal of the Local Reentry Services Program is to improve the recidivism rate of offenders housed in parish and local facilities by 5% by 2022.

The goal of the Criminal Justice Reinvestment Program is to reinvest dollars saved from releasing offenders into programming for state offenders at the local level jails, opening a halfway house pilot program, enhancing and expanding reentry centers, and hiring Community Resource coordinators in Probation and Parole districts investing in specialty courts and diversion programs.

This agency has four programs: Local Housing of Adult Offenders, Transitional Work Program, Local Reentry Services, and Criminal Justice Reinvestment Initiative.

Program Authorization: R.S. 13.5535; R.S. 15:824; R.S. 15:574.2-574.21; R.S. 15:1111

### Program Description

The mission of the Department of Public Safety and Corrections through the utilization of Community Rehabilitation Centers and Transitional Work Programs, is to provide for public safety of the community while providing for the custody, control and treatment of offenders assigned to the programs and to adjust to free living thereby increasing public safety. To this end, transitional work programs provide for:

- Housing, recreation and treatment activities aimed at re-socialization.
- Employment opportunities through seeking the best available jobs for participants.
- Assisting the participant in complying with any special conditions imposed by the Committee on Parole.

The transitional work programs have proven to be successful in assisting an offender in making the transition from prison back into the workforce and also providing an income source upon release.

The Department of Public Safety and Corrections has developed standard operating procedures (SOPs) to be followed by community contractors who house adult offenders in community rehabilitation centers and transitional work programs; these SOPs include provisions for American Correctional Association (ACA) accreditation. The responsibilities of the Adult Services Program within the Corrections Administration Appropriation have been expanded to include monitoring of functions and services of community rehabilitation centers (half-way houses and transitional work programs).

The goal of the Transitional Work Program is to continue to provide for the housing of offenders who are qualified for these programs, providing offenders for a step-down transition prior to release from incarceration.

Explanatory Note: Transitional Work Program facilities are non-secure, community-based residential facilities which provide offenders with a graduated return to the community. Offenders in Transitional Work Programs are not confined but their movements are closely monitored. They are transported to work and returned to the structured environment of the facility at night. They are subject to frequent drug screens. At the same time, they are afforded an opportunity to hold a job, obtain real world work experience, and earn money to assist with expenses they will have in the community. They participate in treatment activities at the transitional work program facility and in the community. Participation in transitional work programs is governed by statute as well as the policies and procedures of Correctional Services. Depending on the crimes for which offenders are serving time, they can earn transitional work program placement within 6 to 24 months of their expected release dates. Transitional work programs can also be used as an alternative to incarceration for technical parole violators.

### Agency Description

The Parish Transportation Program provides funding to local government entities for road systems maintenance, mass transit, and to serve as local match for off-system roads and bridges.

The Parish Road appropriation is distributed to the sixty-four parishes for road systems maintenance. State statute provides that funds be distributed on a population-based, or per capita, formula. State statute provides that funds in excess of the Fiscal Year 1994 appropriation level (\$34,000,000) be distributed to parishes based upon parish road mileage.

The Mass Transit appropriation provides funding to the eligible cities or parishes with mass transit systems. Cities and parishes receiving such aid include the following: Alexandria, Baton Rouge, Lafayette, Lake Charles, Monroe, New Orleans, Jefferson Parish, Kenner, St. Bernard Parish, Shreveport, St. Tammany Parish, and Houma. Additionally the state Department of Transportation and Development – Public Transit Division receives funding from this source to provide local match money for the purchase of transit buses.

Program Authorization: R.S. 39:1780 through 1795.

### Program Description

Corrections Debt Service is currently making payments on two (2) bonds:

Steve Hoyle Rehabilitation Center - Bonds totaling \$30,531,075 in principal, interest, and fees were sold in Fiscal Year 2007-2008 for the purchase of the Steve Hoyle Rehabilitation Center in Tallulah. The Department of Corrections had been leasing this facility since 2004. The initial payment was made on December 15, 2007. The facility was closed as a state-run facility effective July 1, 2009. The Madison Parish Sheriff's Office currently utilizes the facility as a local correctional facility for the housing of adult female offenders in state custody. The final payment on the bonds is scheduled for Fiscal Year 2019-2020.

Energy Services Company (ESCO) - Bonds totaling \$30,318,245 were sold in Fiscal Year 2010-2011 for equipment and other improvements that were designed to manage utilities more efficiently, which will result in a yearly savings to the institutions. The final payment of the bonds is scheduled for Fiscal Year 2027-2028.

## 20-924 — Video Draw Poker - Local Government Aid

### Agency Description

The Video Draw Poker - Local Government program provides, pursuant to legislative appropriation, that twenty-five percent of the funds in the Video Draw Poker Device Fund shall be distributed to the local governing authorities of the parishes or municipalities in which the video draw poker devices are operated.

The distribution is based upon the proportion of total amount of fees, fines, and penalties each parish or municipality contributes to the statewide total and is to be used for enforcement of the statute and offenses relating to gaming. The twenty-five percent distribution is reduced by the salary increases to district attorneys and assistant district attorneys authorized by statute in 1992--up to a cap of \$5,400,000 from the local government portion of the video draw poker proceeds.

## 20-966 — Supplemental Pay to Law Enforcement Personnel

### Agency Description

Supplemental Pay to Law Enforcement Personnel was established to provide additional compensation for local municipal police officers, deputy sheriffs, firefighters, constables and justices of the peace. To qualify for state supplemental pay, municipal police officers, deputy sheriffs, and firefighters must be Police Officer Standard Training (P.O.S.T) certified and have one year of service. Until Fiscal Year 1997, supplemental pay was based on years of service. Funding was provided in Fiscal Year 1997 to fund supplemental pay to all eligible law enforcement personnel at the rate of \$278 per month. In Fiscal Year 1998, supplemental pay was again raised to the uniform rate of \$300 per month for eligible law enforcement personnel. This amount increased in Fiscal Year 2007-2008 to \$425 per month for eligible law enforcement personnel. In addition, supplemental payments for constables and justices of the peace were increased in Fiscal Year 2007-2008 from \$75 per month to \$100 per month. In Fiscal Year 2009-2010, the amount increased to \$500 per month for eligible law enforcement personnel. The new supplemental payment amounts were effective July 1, 2009.

A board of review, made up of the Commissioner of Administration (or his/her representative), a member of the Louisiana Conference of Police Associations, and the Deputy Secretary for Public Safety Services, determines eligibility of municipal police officers to receive supplemental pay. The Supplemental Firemen's Board of Review, made up of five members appointed by the Governor (three from Professional Firefighters of Louisiana and two from the Louisiana State Firefighters Association), determines eligibility of applicants seeking state supplemental pay for firefighters. A board of review, made up of the Commissioner of Administration (or his/her representative), a member of the Louisiana Sheriffs' Association, and the Director of the Department of Public Safety (or his/her representative), determines the eligibility of deputy sheriffs to receive supplemental pay.
