MEMORANDUM OSP01-09

DATE: April 17, 2001

TO: All State Agencies and Political Subdivisions
Attention Purchasing & Accounting Staff

FROM: Denise Lea, Director

RE: **New Waste Tire Fee Collection Schedule – Effective 02/01/01**
State Tire Contract No. 404299

The Office of State Purchasing has been notified by the Louisiana Department of Environmental Quality of changes to the Waste Tire Fees charged for worn tires. The new Waste Tire Fee Collection Schedule went into effect on February 1, 2001, and is based on the weight and/or type of the **new** tire(s) purchased.

For tires weighing up to 100 pounds, the fee remains \$2.00. **Contract Line No. 99998** has been set up in AGPS as a fixed-price line at \$2.00, as this should cover the majority of passenger car and light duty truck tire purchases.

The fee varies by tire weight and type over 100 pounds. **Contract Line No. 99999** has been set up in AGPS as a zero percent (0%) discount structure. Therefore, ISIS agencies must enter the applicable fee based on tire weight and/or type in the "CAT\$" (catalog price) field. An entry is also required "CAT#/IND" field.

ISIS agencies may find a complete Waste Tire Fee Collection Schedule on the "KNOA" screen by inquiring on Contract No. 404229. Non-ISIS users and political subdivisions may find this information at our web site, www.state.la.us/osp/, under "Agency Center / OSP Memos."

If you have any questions, please contact your local Goodyear dealer or Jim Murphy at telephone (225) 342-9200 (e-mail jmurphy@doa.state.la.us) or Bobby Mashon at telephone (225) 342-8014 (e-mail bmashon@doa.state.la.us).
