Infrastructure Program Delivery

Eligible Activity: Section 105 (a)

National Objective: Presumed by activity

Activity Amount: \$26,600,000

The purpose of this Amendment is to increase the funding for Infrastructure Program Delivery from \$15 million to \$26.6 million by allocating currently unallocated funds to this program. These funds will be used to assist Infrastructure program applicants in developing their projects and complying with CDBG regulations throughout implementation. Funds will be used to provide assistance to applicants in all Disaster Recovery Infrastructure programs, including, but not limited to the following: Ratepayer Mitigation, Long Term Community Recovery, Local Government Emergency Infrastructure, including the allocation for Primary and Secondary Education Infrastructure, and Fisheries Infrastructure. Objectives and activities will not be different from those described in Action Plan Amendment 6. Funding will not be used as match for any other federal funding sources.

These expenditures will be presumed to meet the National Objectives of the Infrastructure programs.

Monitoring

This activity is considered to be a low risk activity. Monitoring will be performed by the Office of Community Development staff in accordance with the contracts and the Infrastructure Monitoring Plan.
