RE: August Mid-Year Adjustment Tracking Report

Attached is the Monthly Mid-Year Adjustment Report consisting of the General Appropriations Act, other Appropriation Acts, and Non-appropriated requirements of the 2025 Regular Session. This report is organized, when applicable, by Department, by Means of Financing, and by Expenditures. The following is a listing of the assumptions on which this report is based:

Note: Items in bold type are changes from the previous report.

1. All BA-7s approved (in-house and by Budget Committee) and entered into the LaGov Financial System as of **August 31, 2025**, are included in this report.
2. The enclosed "Approved August BA-7s" mid-year adjustment reports do not show changes in Non-TO FTE positions.
3. Carryforward BA-7s - These funds are carried forward from FY 24-25 into FY 25-26 due to the existence of bona fide liabilities in FY 24-25.
