261_3000 — La Seafood Promotion & Marketing Board

Program Authorization: Louisiana Revised Statute: 56:578.2(A)(1) et seq

Program Description

The mission of the Louisiana Seafood Promotion and Marketing Board is to give assistance to the state's seafood industry through product promotion and market development in order to enhance the economic wellbeing of the industry and the state, while increasing consumption and value of Louisiana Seafood products.

Seafood Promotion and Marketing - In 1981, the State of Louisiana's legislature created the Louisiana Seafood Promotion & Marketing Board with statute R.S. 56:578.2(A)(1), to enhance and support the commercial fisheries industry. Although seafood had grown from a subsistence economy to a world class operation, it was challenged by dramatic changes in the marketplace and in the environment. The Board's statutory mandate is to strengthen and revitalize the Louisiana seafood industry, to identify threats, and execute strategic plans to meet them and overcome them. The Board is composed of 14 members appointed by the Lieutenant Governor. Each represents a sector of the industry: harvesters/farmers, processors/wholesalers, restaurateurs/retailers, and marketing specialists. The Board's operating budget is derived from license sales to Louisiana commercial fishermen and seafood wholesalers/retailers, as well as private and federal grants.

Program Description

The Museum Program is devoted to the operation of the branches of the Louisiana State Museum located throughout the State and the implementation of programming that complement and enhance the exhibits presented in the branches. In FY 2021, the LSM will have ten locations open to the public: the Presbytere, the Cabildo complex, the Capital Park Branch, the 1850 House, Madame John's Legacy, the New Orleans Jazz Museum at the Old U.S. Mint, the Wedell-Williams Aviation and Cypress Sawmill Museum, E.D. White Historic Site and the Louisiana Sports Hall of Fame and Northwest Louisiana History Museum. The Legislature made the Louisiana Political Museum and Hall of Fame in Winnfield an LSM property with responsibility only if funding is available. Funding for this program must meet the American Alliance of Museum standards in order for the Museum system to keep the current accreditation qualifications. In order to achieve those standards a Capital Outlay request will have to be made. The properties of the Louisiana State Museum represent an architectural heritage dating back to 1788.

The mission of the Museum program is to maintain the Louisiana State Museum as a true statewide museum system that is accredited by the American Alliance of Museums; to collect, preserve, and interpret buildings, documents, and artifacts that reveal Louisiana's history and culture; and to present those items using both traditional and innovative technology to educate, enlighten, and provide enjoyment for the people of Louisiana and its visitors.

The program goals of the Museum program are to collect, preserve, and interpret buildings, artifacts, documents and other items that reveal Louisiana's history and culture; to educate, enlighten and provide enjoyment for the people of Louisiana, visitors and others through the development of exhibits, programs and presentations on Louisiana's history, culture and people; and to provide these services in accordance with the highest standards of professionalism, scholarship, management, and the American Alliance of Museums.

Parks and Recreation Budget Summary

Source of Funding

This program is funded with State General Fund, Interagency Transfers, Fees and Self-generated Revenue, Statutory Dedications, and Federal Funds. The Interagency Transfers are from the Department of Transportation and Development for the administration of the Recreational Trails Program, Department of Health and Hospitals and from the Office of Tourism. Fees and Self-generated Revenues are derived from the sale of items at the various camp stores, the wave pool at Bayou Segnette, employee housing, advance reservation fees, and the Louisiana Outdoor Education Program. The Statutory Dedications are from the Poverty Point Reservoir Development Fund (R.S. 56:1705) and the LA State Parks Improvement and Repair Fund (R.S. 56:1703). Funding is provided through fees generated from admissions, rentals, and other sources. Federal Funds are derived from Act 128 of 1965 and Act 685 of 1972 (P.L. 88-778) Land and Water Conservation Fund (P.L. 94,422 - Sept. 1976). These funds are a matching assistance program in which state agencies and political subdivisions participate in acquisition and development of projects for outdoor recreation.

Program Description

The mission of the Cultural Development Program is to administer statewide programs, provide technical assistance and education to survey and preserve Louisiana's historic buildings and sites—both historic and archaeological as well as objects that convey the state's rich heritage and French language through the program's major components: Historic Preservation, Archaeology, and the Council for Development of French in Louisiana.

The goals of the Cultural Development Program are:

- I. To expand the state's database of surveyed cultural resources, ensure the preservation of those resources, and use them to interpret Louisiana's history and educate the public about it.
- II. To increase the use of the French language in Louisiana.

The activities of the Cultural Development Program are as follows: (1) The State Historic Preservation Office activities include the Division of Historic Preservation which encourages the preservation of Louisiana's significant historic sites and buildings, both commercial and residential. The Division of Historic Preservation's Louisiana Main Street Program is our state's implementation of the concepts developed by the National Main Street Center of the National Trust for Historic Preservation. (2) The Council for the Development of French in Louisiana activities are to offer Louisiana's citizens, whether they be of French ancestry or not, the opportunity either to learn French or to enhance and utilize the French they already know; and to explore, preserve and enhance Cajun, Creole and Francophone heritage in Louisiana for the cultural, economic and touristic benefit of all its citizens, including administration of visas.

Program Authorization: Louisiana Revised Statutes: 1975, by Executive Order No.80, the Louisiana State Arts Council was created. In 1976, the official state arts agency was charged with the responsibility of responding to the needs of the cultural community of Louisiana was created by Executive Order No.44. This agency was also designated as the sole agency of the state government authorized to represent Louisiana to the National Foundation for the Arts and Humanities, and the National Endowment of the Arts. In 1977, through Legislative Act 265, the Louisiana Division of the Arts became a division of the Department of Culture, Recreation, and Tourism in the Office of Cultural Development (La. R.S. 25:891-900.1). In 1999, legislation created the Louisiana Percent for the Arts program (La. R.S. 25:900.1), and granted the Office of the Cultural Development and the Louisiana State Arts Council a central role in that program.

Program Description

The mission of the Arts Program is to be a catalyst for participation, education, development, and promotion of excellence in the arts, which is an essential and unique part of life in Louisiana to which each citizen has a right. It is the responsibility of the Arts Program to support established arts institutions, nurture emerging arts organizations, assist individual artists, encourage the expansion of audiences, and stimulate public participation in the arts while developing Louisiana's cultural economy.

The goals of the Arts Program are:

- I. To increase the number of Louisiana citizens and visitors participating in and experiencing arts activities.
- II. To provide meaningful support for the state's emerging and established arts organizations and advance a public environment that recognizes and assists Louisiana artists as valuable state resources.

The activities of the Arts Program are as follows: (1) The Arts and Administration serve every parish in the state. The Louisiana Division of the Arts administers open and competitive grants program for Louisianan artists and nonprofit organizations. The agency sponsors training and education programs for artists, art educators and art administrators. Finally, the Division serves as the clearinghouse for information about the arts in Louisiana and about national opportunities in the arts for Louisiana artists and organizations. (2) The Cultural Economy Initiative activities assist with providing incentives for the cultural workforce through grant programs. The activities are designed to sustain people and preserve artistic and cultural assets, enhance capacity for production, and develop new markets.

The Office of Tourism will promote community pride, which grows as people work together to develop a thriving tourist industry.

The goals of the Office of Tourism are:

- I. To increase the length of stay, visitor expenditure (yield), dispersal (geographical and seasonal), and market share.
- II. To leverage economic benefits from Louisiana natural attractions and major events while also improving and developing innovative and sustainable man-made attractions.
- III. To continue to strengthen partnerships and working relationships with stakeholders in the region.
- IV. To develop tourism products and tourism infrastructure that meets the needs and expectations of visitors and local communities in order to improve visitor experience.
- V. To maintain a research program which measures the economic, environmental, and social benefits and impacts of tourism, as well as a measurement of visitor profile and satisfaction.
- VI. To conduct an ongoing promotional campaign of information, advertising, and publicity to create and sustain a positive image and understanding of Louisiana.

DKSA uses person-stays which counts every stay on a trip through a comprehensive study measuring the travel behavior of US residents; whereas, UNO-HRC calculates visitation by estimating data from visitor survey files from a survey data panel, travel statistics, and historical data. * Continuation Budget Level is taking into account COVID-19 estimated loses of travel spending and visitation

inquiry courts or research conducted of inquiries as a performance indicator. The discontinued use of inquiries as a primary indicator is due to the greater use and unpredictability of the Office of Tourism's website to produce inquiries. The website contains all of the same information that is in the Louisiana Tour Guide. Since the creation of the website in 1997, the number of online inquiries have grown and the number of mail and telephone inquiries has experienced significant declines. Almost all inquiries are generated from advertising. However, not all inquiries generate a mailed packet since the large majority of internet inquiries do not request a mailed packet of information on Louisiana. Louisiana's internet address is still contained in practically every ad.

2. (KEY) Increase the number of jobs within the Louisiana tourism industry by 10 percent from 238,000 in 2019 to 262,680 in 2025.

267_3000 — Welcome Centers

Program Authorization: Louisiana Revised Statutes: 36:201,208,912:36:4 and 209; 51:1252-1276; Act 396 of 1990; Act 1038 of 1990; Act 1089 of 1990; Act 624 of 1993.

Program Description

The mission of Louisiana's Welcome Centers, which are located along major highways entering the state and in two of Louisiana's largest cities, is to provide a safe, friendly environment in which to welcome visitors, provide them information about area attractions, and to encourage them to spend more time in the state.

The goals of the Welcome Center program are:

- I. To provide a safe and friendly environment in which an increasing number of travelers can learn more about Louisiana's food, culture, and attractions.
- II. To provide the highest quality customer service at each center.

Each Welcome Center represents a particular opportunity for visitors and stakeholders to communicate with each other. We will facilitate the most favorable environment possible to make this communication successful for all involved. This is accomplished with optimum and strategic staffing, a program of maintenance and repairs, working closely with our partners at the Department of Transportation and Development on clean, neat and visitor friendly site with amenities for 21st Century travelers. Our Welcome Centers are where we display the portfolio of opportunities for visitors who come to learn more about Louisiana, her people, food, music and culture. Welcome Centers are where our local citizens and stakeholders feel a special pride of place, and come to learn more about where they live. Our Centers improve the quality of life for visitors and Louisianans by educating them about the variety and diversity of people and cultures and tourism assets in the state.

Source of Funding

This program is funded with Fees and Self-generated Revenues. The Fees and Self-generated Revenues are derived from the Louisiana Tourism Promotion District. Act 1038 of the 1990 Regular Session of the Legislature created the Louisiana Tourism Promotion District, which receives 3/100 of 1 cent of the sales and use tax. These proceeds are then transferred to the Office of Tourism for advertising and promoting tourism in Louisiana.

1 Welcome center visitation fluctuates based on how visitors are obtaining travel information. Visitation can be attributed general travel, weather, school schedules, natural disasters, sporting events, and the holiday season. The Vinton Welcome Center is still closed for construction, Capitol Park Welcome Center is used as an event center only and both the Alexandria (I-49) and Vidalia Welcome Centers were closed permanently during FY 17/18. Vinton Welcome Center reopened in May 2019, and the New Orleans Welcome Center closed in June 2020. Although two of the performance standards listed values are 750,000, both of these performance standards should be 260,000. This is due to the closure of several Welcome Centers and also the closure of all Welcome Center lobbies from the COVID-19 pandemic.
