Office of State Uniform Payroll Memorandum #2027-05

To: LaGov HCM Paid Agency Human Resources
and Employee Administration Staff

From: Andrea P. Hubbard
Director

Subject: National Payroll Week – Sept. 7 – 11, 2026

The American Payroll Association has designated Sept. 7 - 11, 2026 as National Payroll Week. Governor Landry has issued the attached proclamation recognizing the dedicated work of payroll professionals/employee administrators throughout the State of Louisiana.

National Payroll Week is an opportunity to recognize and thank you for the important work you do each day. Your commitment, professionalism, and attention to detail help ensure that Louisiana's state employees and vendors are paid accurately and on time.

This year's National Payroll Week theme, "Every Paycheck Creates Possibility," highlights the impact each paycheck has on employees and their families. Your commitment to accuracy and timeliness helps ensure employees receive the pay they rely on each pay period.

We encourage you to take time to celebrate this week. Visit the [National Payroll Week](#) website for information, resources, and celebration ideas.

On behalf of the Office of State Uniform Payroll, thank you for your continued dedication and service. We appreciate your partnership and wish you a happy National Payroll Week.
