

SIGN REQUIRED AT LCDBG CONSTRUCTION SITE(S)

All recipients of funds under the LCDBG Program must post a sign in each target area for the purpose of informing the public that the work is being financed with a grant from the Louisiana Division of Administration.

At a minimum, the sign must identify the U.S. Department of Housing and Urban Development and the Louisiana Division of Administration as the funding sources. The names of the Governor, and Commissioner of Administration must also be included. A sample format for this sign is provided for your use. The minimum size of this sign must be 42 inches by 60 inches, and the maximum size should not exceed 4 feet by 8 feet. The cost of the sign is an eligible LCDBG expense if included in the engineer's cost estimate as a project cost.
