A-21: ENVIRONMENTAL ASSESSMENT CHECKLIST

Environmental Assessment Checklist

Instructions: Summarize the findings from the EA Worksheet here by choosing the appropriate determination in the determination column for each resource. Then, cite the source document in the appropriate column.

Resource	Determination	Source Documentation
Land Development		
1. Conformance with Comprehensive Plans and Zoning	Choose from list: ___ Not Applicable (State Why) ___ In Conformance ___ Zoning Permit Required ___ Project Modification Required	
2. Land Use Compatibility and Urban Impact	Choose from list: ___ Not Applicable (State Why) ___ Compatible ___ Land Use Change Required ___ Project Modification Required	
3. Slope and Erosion	Choose from list: ___ Not Applicable (State Why) ___ Slight Slope – No Impact ___ Moderate to Steep Slope – Considered in Project Design ___ Project Modification Required	
4. Soil Suitability	Choose from list: ___ Not Applicable (State Why) ___ No Evidence of Soil Issues ___ Project Design Includes Soil Mitigation ___ Project Modification Required	
5. Hazards and Nuisances and Site Safety	Choose from list: ___ Not Applicable (State Why) ___ No Impact ___ Hazards and Nuisances Considered in Project Design ___ Project Modification Required	
6. Energy Consumption	Choose from list: ___ Not Applicable (State Why) ___ Energy Conservation Measures in Project Design ___ Project Modification Required	
Socioeconomic Factors		
7. Demographic Character Changes	Choose from list: ___ Not Applicable (State Why) ___ No Impact ___ Project Modification Required	

Resource	Determination	Source Documentation
8. Displacement	Choose from list: ___ No Displacement ___ Displacement and Payment covered by Uniform Relocation Act ___ Project Modification Required ___ Other (Describe)	
9. Employment and Income Patterns	Choose from list: ___ No Impact ___ Beneficial ___ Adverse	
Community Facilities and Service		
10. Educational Facilities	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Commercial Facilities	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Health Care	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Social Services	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Solid Waste	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Waste Water	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Storm Water	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Water Supply	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	

Resource	Determination	Source Documentation
Public Safety • Police	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
• Fire	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
• Emergency Medical	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Open Space and Recreation • Open Space	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
• Recreation	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
• Cultural Facilities	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Transportation	Choose from list: ___ Not Applicable (State Why) ___ Existing/Planned Facilities are Adequate ___ Project Modification Required	
Natural Features		
Water Resources	Choose from list: ___ Not Applicable (State Why) ___ No Impact ___ Permit Required	
Unique Natural Features and Agricultural Lands	Choose from list: ___ Not Applicable (State Why) ___ No Impact to or from Unique Natural Features ___ Unique Natural Features Considered in Project Design ___ Project Modification Required	
Vegetation and Wildlife	Choose from list: ___ Not Impact ___ Beneficial ___ Adverse
