

Secretary of State

Department Description

In fulfilling its mission, the Department of State serves as the official keeper of the Great Seal of the State of Louisiana and the chief election officer and the archivist of the state, by preparing and certifying ballots for all elections, promulgating all election returns, and administering the election laws, including those relating to voter registration and custody of voting machines. The department countersigns and keeps an official registry of all commissions; and is responsible for administering the state's corporation and trademark laws, and administering the GeauxBiz program, which gives current and potential business owners a single place to go for all the necessary licensing information to operate within the state.

The Secretary of State is responsible for operating the State Centralized Micrographics Unit, the State Records Center and the State Records Management program, in addition to providing and storing, administering and preserving the official archives of the state. The Secretary of State also promulgates and publishes all laws enacted by the State Legislature.

The Secretary of State is also responsible for the operation of numerous state museums including the Louisiana State Exhibit Museum and the Mc Neil Street Pumping Station in Shreveport, the Old Arsenal Powder Magazine and the Old State Capitol (which serves as the Center for Political and Governmental History in Louisiana) in Baton Rouge, the Louisiana Cotton Museum in Lake Providence, Louisiana Oil and Gas Museum in Oil City, the Louisiana Military History Museum in Ruston, the Delta Music Museum in Ferriday, the Louisiana Timber Mill Museum in Garyville, the Mansfield Female College, the Tioga Museum and Heritage Center, the Eddie G. Robinson Museum in Grambling, the Spring Street Museum in Shreveport, the Chennault Aviation and Military Museum in Monroe, the Louisiana Military History Museum in Abbeville, the Germantown Colony Museum in Minden, and the Louisiana Marine Fisheries Museum in Jean Lafitte.

The goals of the Secretary of State are:

- I. Provide leadership and management necessary to meet its program's objectives while performing the constitutional and statutory responsibilities of the Secretary of State.
- II. Maintain an efficient and accurate election system and provide essential, comprehensive information that instills public confidence in the State's electoral process.
- III. Provide the services, information and facilities necessary to promote and support the State's governmental records management programs and identify, preserve, and make available governmental records and other archival materials of interest to the citizens of

Louisiana.

- IV. Provide an effective presentation of history through the provision of a comprehensive system of thematic museums that enhances the public's understanding of the various influences and aspects of Louisiana's culture that have impacted its development.
- V. Ensure compliance with the commercial filing laws at the lowest possible cost to taxpayers by maximizing the efficiency of document processing and information services.

The Department of State is a constitutional entity headed by the Secretary of State. The Secretary of State has five programs: Administrative, Elections, Archives and Records, Museums/Other Operations and Commercial.

Program Description

The mission of the Administrative Program is two fold:

- To assist the Secretary of State in carrying out his duties of his office by providing the legal, financial and management control services for the department and its various programs;
- Keeper of the Great Seal, attest to the Governor's signatures on Executive Orders and pardons, issue commissions for elected and appointed officials in the State; record and maintain information relative to individual wills, and produce various publications as required by Louisiana Law.

The Administrative Program's goal is to provide the Department with the leadership and management necessary to meet its Program's objectives while performing the constitutional and statutory responsibilities of the Secretary of State and the Department of State.

The Administrative Program includes the following activities:

- Executive Services - Includes the elected official, Secretary of State, and his executive administrative staff, Public Information, and Publications. The leadership and management functions of this activity ensure duties and responsibilities of the department are carried out in an efficient and effective manner.
- Primary Support Services - Includes Accounting, Human Resources and Purchasing Divisions. These functions provide primary services to agency personnel. Accounting conducts budget and fiscal functions as well as accounting duties including, but not limited to, processing cash and check deposits, credit card payments and charges, vendor payments, travel expenses, election cost distribution and election worker payroll. Human Resources provides personnel support to managers, supervises payroll time accounting, and acts as the liaison with the State Civil Service. Purchasing provides direct support in the acquisition of supplies, equipment, and services for the agency.
- Legal Support Services - Includes the Legal and Commissions Divisions. The Legal Division reviews and approves all ballot propositions, including bond, debt and tax propositions; wet/dry propositions; stock law propositions; home rule charter propositions; recall elections; and constitutional amendments prior to the propositions being placed on all ballots. The Legal Division drafts and reviews Department of State contracts and submits the contracts and supporting documents to the Department of State Civil Service and Office of Contractual Review for approval. The Legal Division also represents the Department of State on a statewide basis in election contests, objections to candidacy and various other cases, including actions at the trial and appellate court levels. The Commissions Division provides advice and interpretation of multiple statutes. The Commissions Division authenticates certificates, for both walk-in customers and mailed requests that authenticate the signature of State Registrars, Judges, Sheriffs, Clerks of Court and their Deputies, Notaries Public, and other officials. The Commissions Division receives and processes notifications of resignation and retirement from elected officials and determines compliance with applicable statutes in Title 18 (The Election Code). The Commissions Division prepares and mails commission certificates, oaths of office forms, laminated identification cards, and mailing labels for every elected candidate.

- Information Technology Support Services – Consists of the Information Technology Division, which assists in the planning, implementation, and upgrades for critical applications and is responsible for preventive maintenance and repair of hardware and software required for the day to day operations of the agency.

Figures include money received from prior election years (reported in year received not year invoiced). Invoicing for FY 2006-2007 was delayed by problems with new software.					
Percentage of revenue collected prior to close of fiscal year (LAPAS CODE - 12089)	99.9%	174.5%	92.7%	92.9%	92.5%
The unusually high number does not indicate successful collection as much as it indicates the shortfalls in invoicing due to problems with accounting software. This issue is being resolved and should not be reflected in 2007-08 and later reporting. Computation no longer consider collections of prior year invoices. This will result in lower percentages but a more accurate look at the effectiveness of invoice collection efforts. Account efforts to invoice early and follow up with the entities resulted in a 99.0% collection rate of all invoices from FY 2010 elections including one held in May that was not invoiced until early June.					
Average cost of commissioners, janitors and deputy custodians paid per precinct (LAPAS CODE - 12084)	\$ 470.50	\$ 443.29	\$ 634.67	\$ 896.46	\$ 777.67
Figure was an estimate for FY 2005-2006. Complete cost report information was not available due to software problems with new elections accounting system. Cost for FY 2006-07 was substantially lower than expected due to having to operate some precincts with fewer commissioners than desired. Pay increase in effect as of FY 2007-08 will help to fill shortages, but at the same time, increase the average cost substantially. Cost for FY 2008-2009 driven by increased staffing for statewide candidate elections and increased availability of commissioners to work.

Program Description

The mission of the Elections Program is to ensure the integrity of the electoral and election management process in Louisiana for its voters, citizens and for other interested parties in Louisiana and the United States, in general and to encourage public participation in the election process by educating voters and potential voters about the elections process through effective outreach programs.

The goals of the Elections Program are as follows:

- To provide and keep, at a high level of readiness at all times, the best available equipment that accurately and confidentially records and counts the votes cast by Louisiana voters.
- To prepare election ballots that accurately reflects the candidates and issues for each precinct holding an election.
- To administer the laws governing voter registration; to develop programs for the statewide voter registration system to better assist the parish Registrars of Voters and serve the general public; and to ensure the accuracy and integrity of the information contained in the statewide voter registration system.
- To promote voter registration through education and public awareness programs.
- To provide a mechanism for the public to report voter fraud and other illegal election activity; to investigate reports of improper election activity.
- To coordinate with local law enforcement and prosecutorial agencies to address voter fraud and illegal election activity.

The Elections Program includes the following activities:

- Administrative Services - Includes elections administration, registration administration, elections compliance, and outreach functions. This activity processes candidates for state office and prepares ballots for all elections. This activity directs, assists, and prescribes rules, regulations, forms, and instructions to be applied uniformly by each registrar of voters in the state. This activity is responsible for encouraging qualified Louisiana citizens to register and vote by developing and promoting a program of education for school-aged children and adults on the registration and voting process. This activity is also responsible for providing investigative support to every program and providing an outlet for citizens to report fraudulent or illegal activity, investigating such reports, and coordinating with local law enforcement agencies and district attorneys for the prosecution of such illegal conduct.

- Registrar of Voters - Includes the parish level offices that register all persons interested in becoming voters and updates voter registration data. In accordance with statutory requirements, the Secretary of State is required to pay the state's share of the salaries for registrars of voters and their employees, as well as, a pro-rated portion of the annual canvass cost. The canvass examines the validity of the addresses of record for the registered voters in Louisiana.
- LEAD Grant - Grant money to make accessibility modifications to voting locations. The purpose is to ensure all voting locations in Louisiana provide improved access for persons with physical disabilities.
- HAVA Grant - Help America Vote Act (HAVA) funding to implement mandated changes in the way elections are conducted, including several requirements designed to improve the voting process. Federal funds have been made available to the Secretary of State's office through the U.S. Election Assistance Commission to assist with improving election administration, replacing lever-operated voting machines and punch cards with new voting equipment, updating the statewide voter registration system, training elections officials and poll workers, and educating the voters of Louisiana.
- Election Expenses - Election costs as a separate function of the department. The activity includes expenses incurred by the parish boards of election supervisors, clerks of court, and registrars of voters. It also includes precinct rentals, equipment drayage, ballot preparation and payroll for Election Day workers.
- Election Support Services - Includes Technical Operations, Field Operations, and Operations Administration functions. This activity is responsible for the day to day maintenance and repair of voting machines, emergency repair or replacement of voting machines on election days, and programming electronic voting machines with election ballots.
- Notary Services - Maintains a database on notary publics in Louisiana and processes annual reports. The activity takes orders for and ships Fundamentals in Louisiana Law and Practice Study Guide to individuals wanting to prepare for the state notary exam. The activity processes applications for the state notary exam.

Source of Funding

This program is funded from State General Fund, Fees and Self-generated Revenues, and Statutory Dedications. Fees and Self-generated Revenues are derived from a reimbursement of election expenses from municipalities and governing authorities that call elections. Statutory Dedications are derived from the Help Louisiana Vote Fund (R.S. 18:1400.21). In FY 2011-2012, there are Overcollections Funds in the Elections Program. Per R.S. 39:36B.(8), see table below for a listing of expenditures out of each statutory dedicated fund.

As the elections go farther back in time there are many gaps in the needed documentation and basic information. The sources used include election books, precinct by precinct returns, municipal election files and special election files. Progress in this area has been slowed substantially due to loss of student workers who provided manpower for this project.

The average annual cost per machine to store machines statewide is computed as follows: total cost expended during fiscal year for storage of machines divided by the total number of voting machines assigned for precinct use. This number does not include machines used for absentee voting in person.					
Average cost per machine to deliver machine to precinct (LAPAS CODE - 623)	\$ 55.06	\$ 54.44	\$ 51.72	\$ 56.06	\$ 53.46
This indicator is computed by dividing the total drayage cost expended by the number of voting machines used at the precincts on election day.					

9. (KEY) To provide preventive, necessary and emergency maintenance as required on all electronic voting machines. To ensure the proper maintenance is administered, the program will certify voting machine technicians on the machine(s) they service.

Program Description

The mission of the Archives and Records Program is to ensure the government and public continued access to essential information created by the State through a viable and responsive records management program and a comprehensive preservation effort, making the archival materials acquired and maintained by the Program readily available for researchers and educational programs.

The goal of the Archives and Records Program is to provide the services, information and facilities necessary to promote and support the State's governmental records management programs and identify, preserve and make available governmental records and other archival materials of interest to the citizens of Louisiana.

The Archives and Records Program includes the following activities:

- Administrative Services - Operates under a mandate to identify, collect, preserve, maintain, and make available those records and artifacts that enhance our endeavors to understand the dynamics and nuances of Louisiana's remarkable history. The Archives Administrative Services activity provides a comprehensive preservation effort for documents of historical relevance and interest. Archival materials acquired and maintained by the activity are readily available for researchers and educational programs.
- Records Services - Provides the services, information, and facilities necessary to promote and support the State's governmental records management program. Records Services provides storage for business records for state agencies and retains them according to approved retention schedules. This activity trains Record Management Liaisons for statewide agencies and reviews retention schedules submitted by these agencies.

Program Description

The mission of the Museums Program is to present exhibits, educational and other programs to the public to emphasize the political, social, and economic influences, personalities, institutions, and events that have shaped the landscape of Louisiana's colorful history and culture and its place in the world. To further this mission the Museums Programs will acquire, refurbish, and preserve artifacts and other historic relics representative of this past and attract exhibits of interest to the communities they serve.

The goal of the Museums Program is to provide an effective presentation of history through the provision of a comprehensive system of thematic museums that enhances the public's understanding of the various influences and aspects of Louisiana's culture that have impacted its development.

This program has one activity, Museum Services.

Program Description

The mission of the Commercial Program is to provide for the business, financial and legal communities timely and efficient service in the certification and registration of documents relating to securing, retaining business entities and assets; the processing of legal services documents and communications of business licensing information as required by law and to make such information concerning these business entities available to the public.

The goal of the Commercial Program is to ensure compliance with the commercial filing laws at the lowest possible cost to taxpayers by maximizing the efficiency of document processing and information services.

The Commercial Program includes the following activities:

- Administrative Services - Functions in three areas: 1) Provides the business community timely and efficient service in business licensing. This activity collects fees and tracks annual reports for businesses operating in Louisiana; 2) Serves as the service of process agent for the state on some foreign filings, corporations and all foreign insurance companies, and for out-of-state motorists involved in suits resulting from automobile accidents on Louisiana highways. The activity receives legal processes in such cases from State and Federal courts, and forwards it to the person designated to receive same. This activity also serves as the agent for service of process for taxicab owners, business opportunity, mineral leases, and political subdivisions; and 3) Acts as the home of the Uniform Commercial Code (UCC) notification system. Users can file the UCC finance documents with any of the 64 parish filing offices and the information will be incorporated in the statewide database.
- GeauxBiz.com – This is the starting point for customers to obtain information regarding which state agencies will need to be contacted for a variety of registration documents. GeauxBiz staff will prepare a customized business license checklist tailored to any specific business licensing need. GeauxBiz.com offers a wide array of free and helpful services for the new business owner. The web site offers frequent updates about regulation changes, tips and ideas from business owners, including testimonials of business owners who have used GeauxBiz.com.
