19B-655 — Louisiana Special Education Center

Agency Description

The mission of the Louisiana Special Education Center (LSEC) is to provide special education programs and related services maximizing each student's potential toward successful integration into the mainstream of society.

The goals of the LSEC are:

- I. Assure that all students at the facility will receive quality special education services through programmatic, functional activities.
- II. Assure that all residential students at the facility receive quality intermediate care through programmatic, functional activities.

LSEC has one program: LSEC Education. The Louisiana Special Education Center was established by Act 290 during the Regular Session of the 1948 State Legislature. The LSEC is a special school under the jurisdiction of the State Board of Elementary and Secondary Education (BESE) and is licensed as an Intermediate Care Facility for the Handicapped (ICF-H) participating in the Medical Assistance Program, also known as Title XIX.

The LSEC is a small sized urban facility serving sixty nine (69) developmentally delayed, mentally disabled and severely orthopedically challenged residents residing in Rapides Parish. All programs and services are individually developed and delivered in a "normalized" manner integrated with community interaction and involvement.

The residential, community-based facility is a viable and essential placement alternative in the delivery of service options. Educational practices and treatment procedures have been implemented commensurate with the most promising quality indicators germane to the students being served in residential settings.

19B-666 — Board of Elementary & Secondary Education

Agency Description

The mission of the Board of Elementary and Secondary Education (BESE) is to provide leadership and create policies for education that expand opportunities for children, empower families and communities, and advance Louisiana in an increasingly competitive global market.

The goals of the Board of Elementary and Secondary Education are:

- I. To provide leadership in setting an education agenda for the continuous improvement of public education as measured by student and school achievement.
- II. To strive to improve financing of public education as measured by the effective and efficient use of human and financial resources.

BESE has two programs: Administration Program, and the Louisiana Quality Education Support Fund Program. The Board of Elementary and Secondary Education (BESE) is the constitutionally created policy-making board responsible for the supervision and control of the public elementary and secondary schools and special schools under its jurisdiction. As BESE sets policy governing the public education system of the State, external human resource policies benefitting children are incorporated within the scope of K-12 policies established by the Board.

666_2000 — Louisiana Quality Education Support Fund

Program Authorization: Article VII, Sections 10.1 of La. State Constitution: R.S. 17:3801

Program Description

The mission of the Louisiana Quality Education Support Fund Program is to annually allocate proceeds from the Louisiana Quality Education Support Fund (8g) for elementary and secondary educational purposes to improve the quality of education.

The goals of the Louisiana Quality Education Support Fund Program is to use limited resources in the most strategic and equitable ways possible to increase and support student achievement.

The program consists of the following activities:

- Administration of funds for 8(g) elementary/secondary projects Provide policies, guidelines, and evaluation procedures to ensure the effective and efficient use of the Louisiana Quality Education Support Fund.
- Allocation of funds for 8(g) elementary/secondary projects Allocate funds in accordance with the seven
 constitutional categories for innovative and exemplary programs that will positively impact student
 achievement or skills. At least 96% of the BESE Louisiana Quality Education Support Fund appropriation
 is allocated for use by active grant programs. The remainder of the allocation is used for administrative
 costs associated with managing the funds which is limited to 3% of the average amount of actual expenditures for the most recent three previous fiscal years.
- The Louisiana Quality Education Support Fund [Permanent Trust Fund] was established in 1986 by the Louisiana Legislature to receive the bulk of the proceeds from an offshore oil revenue settlement with the federal government. A separate Louisiana Quality Education Support Fund [Support Fund] was created in the Louisiana State Treasury to receive and hold the interest earnings from the trust. Twenty-five percent (25%) of the earnings are held in the Permanent Fund, and fifty percent (50%) of the remaining seventy-five percent (75%) of the earnings in the Support Fund are constitutionally mandated to be appropriated by the Legislature and allocated by the Louisiana State Board of Elementary and Secondary Education (BESE) for the enhancement of elementary and secondary education. The Board may use three funding methods to allocate funds: competitive, block, and statewide. Allocations are made in accordance with constitutional and legislative restrictions and are aligned with Board priorities and education initiatives.
