

A-20: RE-EVALUATION OF AN ENVIRONMENTAL REVIEW

RE-EVALUATION OF AN ENVIRONMENTAL REVIEW (§ 24 CFR 58.47)

Grantee Name:

Activity:

Contract Number:

Date of Original ROF:

Description of the project change:

Did the project change result in the level of review change? Yes No

- If no, update the completed *Certification of Categorical Exclusion (CEST) Form* or *Part 58 Environmental Assessment (EA) Form* to reflect the change by completing any additional consultation and adding any additional documentation. Submit the updated ERR to OCD for approval.
- If yes, the changed project will need to be evaluated with either the [Certification of Categorical Exclusion \(CEST\) Form](#) or [Part 58 Environmental Assessment \(EA\) Form](#) depending on the new level of review required. The new review should follow the same evaluation and approval process as if it was a new project. Submit the updated ERR along with this form to OCD.

CONCLUSION:

- Based on the re-evaluation above, a new environmental review must be initiated.
- Based on the re-evaluation above, the original level of review and finding remains in effect.
